NEW PRODUCT

Series 7575 New 3" ID Split PVC Cable Guard – MSHA

Parker introduces its new Series 7575 Split PVC Cable Cover. This new product is designed for use as a cable guard in underground mining applications to protect cables and hoses from abrasion and debris. It features a uniformly split wall for easy installation of cables, hoses and other materials. This product meets U.S. Mine Safety and Health Administration (MSHA) standards for flame resistance and is printed with an MSHA legend.

- Tube:** Clear smooth PVC
- Reinforcement:** White PVC helix
- Cover:** Clear corrugated PVC with split wall
- Temp Range:** -5°F to +140°F (-21°C to + 60°C)
- Brand Method:** Black ink
