

Unleash The Power!

HURRICANE

Pressure Washer Hose

Your Job. Our Hose.

This “**Made in the U.S.A.**” hose offers high pressure (3000 psi) and temperature (250°F) capability for many industrial pressure washer applications. Hose assemblies are fabricated using Parker manufactured and validated couplings, ensuring safety and quality to the end user. Factory made assemblies are offered in 50 ft. lengths, coupled rigid male pipe x male pipe swivel, with strain relievers on each end. Hurricane hose is offered with a black or non-marking blue cover.
